

Gabriel App

We are excited to introduce a new way to light a 5-day votive candle in our church, using the Gabriel App! With this app, you can easily light a candle to offer a prayer or a moment of reflection, right from your cellphone or computer. Everyone can devote to daily prayer, in the car, on the street, and thanks to communication technologies, with the smartphone.

To get started, download the Gabriel App from your app store or visit their website www.gabrielapp.com. Once you have the app, search for Our Lady of the Blessed Sacrament in Wheatley and select that option to light a candle. You can name who your prayer intention is for.

We hope this new feature will help you stay connected to our church community and offer you a way to engage in spiritual practices even when you are not physically present in our church. We encourage you to share this announcement with your family and friends who may be interested in using the app. You will receive a thank you and reminder via email or text.

Thank you for your continued support and participation in our church's mission.

Erie Shores South Catholic Family of Parishes

Light the candle today!
